

## **A message from your Secretary.**

At the AGM held in September 2023 a member asked if the Committee had considered a visit to the Thursford Christmas Spectacular, Norfolk, held daily (2 shows) between 8<sup>th</sup> November and 23<sup>rd</sup> December.

You can visit this show either by booking with a coach company such as Shearings or having a 3-day weekend/4-day mid-week stay at Warners Leisure Hotel at Gunton Hall, Suffolk (near Lowestoft).

Before I look into arranging anything I would like the membership to reply to me at the address below if they are interested so I can gauge numbers and investigate discounts. The easiest way to have a good weekend together is to use Warners as coach firms would not necessarily use the same hotels.

As this Newsletter is due out in March, I would have to impose a deadline of Monday 1<sup>st</sup> April (and that might be pushing it as this is a very popular show).

Friends are welcome to attend as this is not a subsidised event by the Association.
